

HT12CESVWK

SMART LOCAL AIR CONDITIONER

COOLING CAPACITY: 3.5 kW (12,000 BTU)*

RECOMMENDED AREA: 120 m³

Wi-Fi enabled and compatible with Voice commands, this Smart Portable AC can be controlled from almost anywhere. Use voice commands to power on, change temperature and fan speed settings without moving away from your busy routine. What else? The Smart Digital Thermostat automatically activates the AC based on pre-set room conditions, a 24-hour timer with daily/weekly scheduling function can be pre-set using the Honeywell Air Comfort App, for added convenience and energy savings. Ideal for smaller spaces up to 120 m³, the HT12CESVWK comes with everything needed including a drain pan, window insulation tape and a filter clean alert so you can keep up with maintenance for maximum cooling performance.

STAY COOL. STAY DRY.

Enjoy year round comfort with this versatile appliance offering 3-in-1 functions. The AC provides powerful cooling in the summer, needed dehumidification during humid seasons and the Fan circulates air for everyday comfort.

Product Dimensions (mm): 440 (W) 360 (D) 715 (H)
